

**2nd Annual Run for Caitlin
3K and 8K Races
Saturday, July 25, 2015
Canfield High School
9:00 am**

Our cause:

Richard & Carol Yager and their son Matt invite everyone to celebrate the life and memory of their dear daughter Caitlin. Caitlin, a 19 year old student at Marietta College, entered heaven with God after a tragic car accident on December 26, 2013. Caitlin, a runner on the Marietta Cross Country team, as well as a history & land management major, was looking forward to studying abroad in Russia in the spring. She then planned on attending law school. All proceeds of this event will go towards awarding scholarships for grade school students who would like to attend Cardinal Mooney High School. There would be no greater gift for the Yagers than to provide young students an opportunity to have a successful and rewarding life.

We are reaching out to ask you to consider partnering with us in celebrating Caitlin's life and love of running. Please consider making a donation after reviewing the sponsorship levels. Thank you in advance for your support. Please contact any of the individuals listed below if you have any questions. You may visit our website at **runforcaitlin.org**

Checks should be made payable to: **Run for Caitlin, Inc.** and mailed to **130 Lakeshore Drive Struthers, OH 44471.**
