

It should go without saying that without volunteers, no successful race would exist. If you are interested in any capacity with volunteering with the race, you will help Caitlin's passion for running live on...

Some positions for volunteering are but not limited to:

- Race packet pickup
- Start/Finish set up
- Pre/Post race greeters (hand out water after the race)
- Water/Aid station
- Course Marshal
- Medical Support
- Bike safety monitoring

If interested, contact any one of us @
